

PAPER THAT REMEMBERS - DOME

A cap of a sphere of radius 260 mm. Positive Gaussian curvature, which a flat sheet cannot have - unless it is corrugated. The cells shrink toward the top and bottom edges to make room.
Print at 100% on A4 landscape. Pattern scale 97% of the design; flat sheet 218 x 180 mm, 20 x 26 cells.
Red dash-dot = mountain, blue dash = valley. Paint lines fold only a little; strong lines fold hard. Pre-crease every line gently, then collapse the whole sheet at once, pushing the ridges together.
